Our Story:

- In March 1981, Len Paolillo, a Certified Public Accountant, co-founded Rosev Dairy Foods, Inc. in Boston, MA and was the Chief Executive Officer through May 2004.
- In 1988, Len created Milky & the Milkcase Gang and in the early 1990's Milky would be the first full figured animated cartoon character on a Milk Label in the United States, and was a huge success in the Boston market.

- In May 2004, Len and his son Jonathan established a new entity focusing on financial services, personal advisory, tax preparation and business consulting for both businesses and individuals:

The Paolillo Financial Planning Group:

- In September 2009 our animated website www.MilkcaseGang.com was launched.

- In January 2010, Jonathan and Len formed **Milky's Northeast Creamery**, and established an alliance with **Hebert Confections, LLC** of Shrewsbury, MA which is manufacturing the Candy Bars. The *All Natural Bars* have recently been accepted into **Whole Foods**.

Milky Bar Candy

- In May 2010, Milky's Northeast Creamery became a Full Distributor for **Byrne Dairy**, a major milk processor in New York, which also services the New England States.
